## PERSONAL PROJECTS

[\*Childhood Dream\*](#) November 2024

- Directed the artistic vision for a team of four to design and develop a nostalgic 2D platformer exploring themes of growing up and childhood memories, with over 90% of players providing positive feedback.

[\*BookNook\*](#) October 2024

- Designed and developed a gamified reading app that tracks individual goals, enables weekly challenges, and fosters social engagement through comments and progress sharing, garnering 95% positive feedback from testers.

[\*Touching Grass\*](#) May 2024

- Prototyped a narrative-driven visual novel critiquing internet absurdities, using Google Slides for interactivity and an HTML website for hosting, further developing my technical and storytelling skills.

## WORK & VOLUNTEER EXPERIENCE

*Freelance Digital Artist & Content Creator* March 2021–August 2024

- Illustrate and post paintings, pieces, and portraits of characters to a 4000+ follower audience on TikTok.
- Managed freelance commissions from initial inquiry through final delivery, ensuring consistent communication with clients.
- Foster and maintain a community of artists and art enjoyers.

*Yogurtland Sales Associate* | Westlake Village, CA January 2023–June 2023

- Advised numerous customers on products to suit personal taste and dietary restrictions.
- Addressed and managed customer inquiries and complaints while maintaining efficiency in high-demand environments.
- Ensured cleanliness throughout the store.

*Catholic Confirmation Peer Leader* | Thousand Oaks, CA July 2019–July 2021

- Lead biweekly discussions among small groups of five to ten high school students.
- Organized and assisted annual day-long retreats and monthly events.
- Ensured the physical & mental well-being of ~50 retreatants and students before, during, and after events.
